Author of the Book "Acum*" at Editura Musatinii

October 2010 - Present (9 months)

„ACUM*” este o carte ce imi doresc sa te provoace sa nu mai amani schimbarile importante din viata ta. Acum, pentru ca sper ca te-ai saturat de atatia de „maine”.

Este o carte care te poate ajuta sa te schimbi, insa doar daca tu esti determinat sa faci asta. Nu imi propun prin aceasta carte sa te schimb, ci doar sa te sustin, daca tu ai luat deja decizia schimbarii.

Totul depinde (in primul rand) de TINE! Cartea “Acum*” nu poate fi, sub nicio forma, mai mult decat ii permiti tu sa fie in viata ta.

Te invit asadar la Actiune si iti urez Succes!

"Il cunosc pe Mihail de aproape 2 ani si de fiecare data cand ma intalnesc cu el obtineam ceva de valoare. Totusi in cei 2 ani nu am avut o mai mare invatatura precum am avut acum cateva zile ascultandu-l. L-am invitat pe Mihail la un workshop pe care l-am sustinut despre scop in viata intr-o locatie foarte calduroasa din Bucuresti. Am avut un soc cand am auzit raspunsul sau la intrebarea „Daca ai mai avea 6 luni de trait ce ai face cu viata ta?”. Raspunsul sau este ca ar continua sa faca ceea ce face. Acestea nu sunt doar niste cuvinte. Mihail si viata lui Mihail reflecta aceste cuvinte. El a reusit sa ajunga la un moment al evolutiei sale in care alinierea cu el insusi este foarte mare. Vreau sa il recomand pe Mihail ca si life coach sau trainer deoarece este cu adevarat un om care traieste ceea ce vorbeste."

— **Ardeleanu Paul**, *Ambassador of the first Gifted Education Center, Gifted Education Romania*, was with another company when working with Mihail at WhichWay (Incotro?)

"Mihail sees the beauty of life everywhere around him: people, nature, music, flowers, projects, ideas...PEOPLE AGAIN! One day I asked him "What do you do that no matter what you touch becomes gold?"...and he said "Everything is gold". And gold doesn't mean money or fortune, but beauty, success, achievements, friendship, VALUE. If everybody would see the world as beautiful as you see it, it would be a better world. Good luck with LumeBuna."

— **Alina Violeta Tanase**, *Customer Care Trainer, CALLBRIDGE (Trustul REALITATEA & CATAVENCU)*, was with another company when working with Mihail at Whichway.ro

"Mihail is a true inspirational leader, although very young. He launched a website with exclusive positive news, www.lumbuna.ro, from where he and his team spread good thoughts to all Romanians all over the world. This young man should be supported every way possible in order to motivate him accomplish his goal: a better generation of leaders in Romania! I highly recommend him as a mentor, coach and leader for young teams of enthusiastic and ambitious people!"

— **Mariana Duma**, *General Manager, ALBERA*, was with another company when working with Mihail at Freelancer

"Even though I haven't met Mihail in a conventional business environment, he has managed to offer me a "life-coaching" experience that had a great influence on my following decisions and

personal development. His positive way of thinking, proactive spirit, interest in helping others and his talent for being a trainer have made Mihail a true role-model for me."

— **Ina Teodora Negoita**, *Special Pricing Specialist, Hewlett-Packard Financial Services*, was with another company when working with Mihail at Freelancer

"Mihail impressed me since our first meeting. I remember him presenting his ideas, his plans and how impressed I was by his enthusiasm and determination. I had never met before such a motivated, proactive and eager to learn person. He is a "life coach", very good at motivating you to perform at your best, helping you to find inside yourself the means towards evolving. He is constantly improving, transforming everything that life has to offer him in an opportunity to evolve. Everything he does involves passion and the belief that in pursuing your dreams only the sky is the limit. For me he is an inspiration and I believe he is that kind of man you feel lucky to have met and have had the possibility to learn from."

— **Anca Priscila Bilbie**, *News Editor, Lumbuna.ro*, worked directly with Mihail at Freelancer

"I have met Mihail when my life needed some changes. The picture didn't have to be huge to see from the beginning that he plans to set important steps towards the change i needed. I can not say that Mihail was just a Trainer, a Coacher or a Mentor, for in the time spent with / around him he explored all of the capabilities from the above mentioned types of Personal Development skills. He is more than a friend, for he can be the right man at the right time in someone's life. His proactive attitude, his ways of thinking, his beliefs, his strong commitment to his work had lead me to strongly underline the fact that Mihail is a great man! I would like to outline more of Mihail's qualities, but it's better if you get to know him personally. In the end, it is always your choice :) . I choose a friend, a man that pointed the direction, a unique personality. Go for it! :)"

— **Alin Iventa**, *Client Service Agent, Microsoft Romania*, worked directly with Mihail at Freelancer

"I had the pleasure to attend a session delivered by Mihail, during a conference of AIESEC Bucharest. The session was about my image of the organization and it involved quite a significant personal involvement and it also required the participant's proactivity. I really enjoyed it and most of all I was pleasantly surprised by Mihail's way to deliver it (serious, clear, concise but also very insightful). I believe the outcome of the session exceeded expectations, mainly thanks to Mihail's training skills."

— **Alexandru Ciungu**, *Account Manager - Sales Responsible, AIESEC Bucharest*, was with another company when working with Mihail at Key Point

"Mihail, Am apreciat foarte mult atitudinea ta fata de participanti pentru ca a fost una impartiala, care a incitat la dialog, in majoritatea timpului creand cadrul confortabil (relaxat) de care ai nevoie pentru a-ti impartasi parerea cu ceilalti. Tot aici apreciez faptul ca ai incercat (si reusit) sa aduci lamuriri suplimentare atunci cand aparea confuzie. De asemenea, am apreciat modalitatea pe care

ai ales-o pentru a atinge obiectivele sesiunii;respectiv abordarea Trecut-Prezent-Viitor, constientizez acum, a reprezentat inceputul 'intrebarilor' pe care a trebuit si trebuie in continuare sa mi le adresez in aceasta perioada. Intuiesc ca esti o persoana nu foarte expresiva, pentru ca pe durata celor doua sesiuni nu am observat multe gesturi prea largi, zambete, modulatii importante ale vocii, samd. Toate cele bune!"

— **Emil Huzu**, was Mihail's client

"I endorse Mihai sincerely as I think he is a complex professional and he has training, management, public speaking and motivational skills."

— **Mihai DASCALU**, *CEO, Success Inc.*, worked directly with Mihail at Key Point

"It was a pleasure to work with Mihail during the Summer School "4Success Team". I admired the way he added value to the team trainers but especially to the seminars and leadership activities. His dedication, high level of positive energy, experience, and enthusiasm were very well appreciated by students. I believe that Mihail is well prepared and organized. Attitude toward participants is great; he has a strong attitude toward helping students learn. He is able to connect with students but maintain his professionalism. I will be honored to collaborate for future projects. (October 18, 2006) Anca Iancu, Programme Development Officer Junior Achievement Romania"

— **Anca Simona**, *Programme Development Officer, JUNIOR ACHIEVEMENT ROMANIA*, was with another company when working with Mihail at Key Point

"Salut Mihail, imi pare bine ca putem socializa si dupa evenimentul 4SuccessTeam. Ca feedback, pot sa spun ca am avut multe de invatat de la tine, ne-ai inspirat tuturor incredere, ambitie si optimism, practic ingredientele necesare unui tanar ca sa reuseasca in viata. In plus, esti un adevarat sportsman :) Toate cele bune! Tinem legatura!"

— **Andrei Gavrilita**, *RETAIL BANKING AGENT, OTP BANK ROMANIA*, worked directly with Mihail at Key Point

"Mihail presented the courses in a way that drew the attention and was very easy to follow. He also answered my questions in a very professional way and offered his help when needed."

— **Ana Ocnaru**, was Mihail's client

"The first thing that I have noticed about Mihail was his special ability of interacting with people. It was a pleasant surprise to discover, by talking to him, a real team player, a very open-minded and communicative person. His desire of finding out new things is the most important thing that I think defines him as a person. He takes each experience as a learning point and always shares his know-how to the people around him. I strongly believe that these abilities, on a long term, will help him constantly to develop himself as a person, both on the professional and personal level."

— **Raluca-Ioana Munteanu**, *Student, University of Alexandru Ioan Cuza Iasi, Romania*, worked

directly with Mihail at Key Point

"Integrity, humor, friendliness, curiosity, spontaneity, simplicity, naturalness - these are just some of Mihai's qualities I noticed during our interactions and that make him a valuable person to work with."

"I recommend Mihail as trainer and very good team worker. He is intelligent and full of personal resources."

— **Daniel Moga**, *Consultant, Freedom Consulting*, worked directly with Mihail at Key Point

"I know Mihail from a thrilling training experience and I can say that he is one of the most creative and pro-active persons I know. It was interesting to see how he facilitated the teamwork, playing various roles, without always trying to be the leader. I also admire his courage to try new things, which may be rather inspirational for others"

— **Raluca Faur**, *virtual office assistant, Lingo24*, worked directly with Mihail at Key Point

"Mihail Musat este o persoana cu adevarat pasionata de ceea ce face si orientata catre ajutarea celorlalti. Proiectele pe care le desfasoara sunt o sursa de inspiratie si un mare sprijin pentru cei ce doresc sa se descopere si sa vada binele existent in jur. Proiectul Lume Buna, impreuna cu intalnirile cu Mihail si cartea "Eu cine sunt?" au avut un mare impact asupra mea si pot spune ca mi-au schimbat viziunea asupra lumii si, implicit, existenta. Prin astfel de initiative si de persoane lumea poate cu adevarat sa devina locul mai bun pe care ni-l dorim."

— **Cristina Apopei**, *Account Manager, AIESEC Bucuresti*, was with another company when working with Mihail at Lume Buna

"Mihail pentru mine este mai mult decat un model. Rar mi-a fost dat sa vad un astfel de om care pune atata pasiune si dedicare in tot ceea ce face. Toate proiectele pe care le-a sustinut sau le desfasoara il reprezinta pe deplin si reflecta un om minunat. Este puneta de legatura intre multi tineri valorosi si lumina care ii inspira si-i provoaca sa fie proactivi fapt pus in evidenta de proiectul "Incotro". Ca si coordonator al Lume Buna.ro este cel care a adus o infuzie de speranta si incredere in a vedea lucrurile frumoase din jurul nostru si de a le aprecia frumusetea. A reusit sa mobilizeze o multime de tineri care au pus la fel de mult suflet in cele 2 editii "Imbratisari gratuite" si cu care a impartasit zambete si bucurie. Mihail este omul in care mustesc idei geniale si de fiecare data iti da impresia ca poate gasi solutia pentru orice provocare. Pe langa un coodonator, un trainer, un om si un prieten minunat este si un mentor desavarsit. O vreme buna am urmat un program de personal coaching cu el care mi-a deschis ochii spre lucrurile frumoase pe care la traiesc acum si oportunitatile pe care le-am fructificat. O realizare semnificativa cu impact major asupra cititorilor

constiinciosi este cartea lui "Eu cine sunt?" care cu siguranta este mai mult decat o carte. Iti multumesc Mihail!"

— **Anca Cristache**, *Student, Academia de Studii Economice din Bucuresti*, worked directly with Mihail at Lume Buna

"Mihail is very passionate in his work and, also, a good thinker. His initiatives are bringing enthusiasm in others and he is generating ideas with good impact on the society. Mihail can be a great social entrepreneur."

— **Bulent Duagi**, *HR Manager, Volunteers for Ideas and Projects*, was with another company when working with Mihail at Lume Buna

"Infinite passion, dedication, help and love for others. Three of the exceptional qualities from the genius of Mihail. If you want to feel how it is to discover your best potential, you must meet Mihail. He is the best person I know that can make you feel you can do anything. He made Lume Buna become a point of reference for many volunteers offline and online to bring their ideas, to develop and to transform the world into a better place. All these were possible because other quality of Mihail is the ability to take an idea and make it happen. Simply and efficient, with excellence and making everyone involved to evolve and to learn from every experience."

— **Lucian Ghinda**, *Volunteer, Lume Buna*, worked directly with Mihail at Lume Buna

"Mihail is a very dedicated person and he puts all his heart in his projects. He tries to get people in connection with their innerselves and he makes people smile through his projects."

— **Laura Sivu**, *Alumni Relations Manager, AIESEC Romania*, worked with Mihail at LumeBuna.ro

"Lumea in care traim ne supune permanent unor provocari. Noi suntem cei care decidem daca le transformam in idei si vise, pe care ulterior le punem intr-o forma practica sau, dimpotriva, le abandonam in negura cotidianului. Lumea in care traiesc este o lume colorata la fel ca si mine. Este lumea in care singura constanta este schimbarea. In acelasi timp este lumea pe care eu visez sa o schimb intr-una mai buna. Iar acest gand constant, ideal si acest mod de viata m-a ajutat sa ma apropiu de omuleti care vibreaza cu mine la acelasi principii. Lumbuna.ro reprezinta, dincolo de o platforma utila de interactiune si informare a tinerilor si ong-urilor care activeaza in plan civil, o noua forma alternativa de a trai, de a impartasi cu ceilalti lucruri frumoase, care ne fac sa zambim, care aduc plus valoare in viata noastra si care ne inspira. Mihail e exemplul cel mai elocvent al omului nou, saturat de mult prea mercantilizata societate in care traim si care, intr-o maniera absolut fabuloasa, a decis sa se intoarca la baza, la lucrurile simple care ne definesc in fapt existenta. Sunt convinsa ca lumbuna.ro va deveni in scurt timp un puternic exemplu de buna practica ce va prinde contur si va fi replicat inclusiv la nivelul comunitatilor mai mici, pentru ca este modul in care noi insine vom construi durabil si sustenabil lumea in care traim, alaturi de oameni frumoși care fac pasi in acest sens."

— **Alexandra Martin**, *PR Director, Printo Group*, was with another company when working with Mihail at LumeBuna.ro

"Mihai e unul din oamenii pe care ii admir pentru curaj si implicarea de care da dovada cand se implica intr-un proiect in care crede cu adevarat. Un tip calm si calculat, in care simti din prima ca poti avea incredere :)"

— **Auras Geambasu**, *Online Guerilla Manager, 3ner.ro Portal de Traininguri*, worked directly with Mihail at LumeBuna.ro

"There is a must for all the volunteers to be involved in their projects. But I never met someone so passionate about his or her work as Mihai is! I started collaborating with him while working for "The Light Festival" in 2008. Not only did he helped us with the publicity through Lumbuna.ro, but he also offered us new and useful ideas for the event's success. He likes to be in touch with everything that's new. I think that this is one of the secret of his projects' success. I sometimes ask myself "Where does he get those ideas?". His projects are so innovative and, maybe more important, they all have a positive impact on our society! Looking forward to hear about Mihai's new achievements!"

— **Iulia Gus**, *Media Coordinator, National Scout Association*, was with another company when working with Mihail at LumeBuna.ro

"I met Mihail almost one year ago at a youth forum and had the pleasure to be involved in one of his best initiatives: the national Free Hugs campaign. In this context, I interacted with him as local coordinator of this initiative. As well, he has supported my organization's initiatives whenever we needed. Although we didn't work closely together, my different interactions with him enabled me grasp bits of his personality. One distinctive feature that stuck to my mind is Mihail's laid-back, serene and positive view on life that makes you enjoy collaborating with him. This approach infuses you with calmness, optimism and energy. He's not the type only working to work, but invests belief in his every endeavor, which makes people around him believe too in that particular idea or project. Such commitment is truly inspirational. He's in my view one of those "rare birds" nowadays, still trusting in our power to create a better world. Still, not the kind of individual daydreaming of an Utopian world, but the type really determined and able to change something. And well, LumeBuna.ro is just the result of that ! I congratulate Mihail for all he's accomplished so far and for the strength of his ideals. For me encountering people whose minds and hearts have not yet been corrupted by this world..is a true blessing ! If Romania's youth needs leaders (and it does), Mihail is surely one worth following."

"I had the occasion to participate to a Train the Trainers conference where Mihail was a trainer and also afterwards to see the results of Mihail's work in this area of training and I can say that I fully admire him for his capability of transmitting the right message in a simple way, attracting audience and also being so creative while designing a training."

— **Georgiana Alina Moldovianu**, worked directly with Mihail at AIESEC

"He is a very good public speaker, and he knows how to deliver the message of a training in a relaxing way, not in a "back to school" way. He makes training look so easy, but I know that's only because he read a lot of books and materials about this subject, and he's been a hands-on trainer/facilitator for years now. I think the secret to his drive, is his constant passion towards this sector."

"I have only had the chance to meet Mihai while I was undertaking a training course in IT in Nestle Romania. Mihai has proved to be a very serious and job dedicated person, but what struck me the most in his personality was his willingness to learn a few new things as well despite the fact that he was himself a trainer."

"As a PC trainer, Mihail was a good - explainer, flexible, patient, had an easy and appropriate language for what he was teaching, a good behavior towards his disciples. Now, after following his course, I feel more confident when working on my computer."

— **Adela Dragomir**, *Consumer Services Specialist, Nestle Romania SRL*, worked with Mihail at Nestle Romania

"Mihai proved to be very ambitious, hard working and very organised. I would still recommend him to temper his wish to be recognized and to take into consideration the fact that he is very young and he still has lots of things to learn."

— **Corina Neagu**, *Recruitment & Development Coordinator, Nestlé Romania*, managed Mihail indirectly at Nestle Romania
